Subject: -

Strengthening of IT Infrastructure in the ULBs.

Sir/Madam,

As you are aware that in near future, the services like Building Plan Approvals, submission of inspection reports & other ULB level approvals are to be provided digitally online to the public. The Online Building Plan Approval Application has almost been customized & is to be launched in the ULBs very shortly. For this, you need to have a robust IT infrastructure with internet connection having a speed of 150kbps to 500 kbps.

You are, therefore, directed to ensure the strengthening of IT infrastructure in your municipality accordingly, within a fortnight.

Yours faithfully,

OL
 (Dr. D.K. Gupta)
 Director,
Urban Development,
Himachal Pradesh.
